

Mastering Raw Edge Machine Appliqué

Reeze Hanson

All Levels

Thursday, 5:00 p.m - 8:00 p.m.

Room: Kennedy Room

#343504 - Appliqué

Learn the techniques and tools to make raw edge machine appliqué look as good as hand appliqué. This class focuses on using fusible web, appliqué fabric, thread types and weights, and bobbins. Discover ways to improve the appearance of your appliqué, by selecting how to select the right fusible for the project, choosing a proper stitch to get the appearance you are seeking, and learning how to position your fabric to get the best look possible from your stitching.
