#344501 - Fiber Art

Come learn machine made texture techniques that will enhance your next quilt! In class, Cheryl will teach you about pleating, stuffing, pintucks, and lots of other fabric manipulations, and then you will cover how to put it into a block in your next quilt. Whether you are a traditional, contemporary, art, or modern quilter, you can add a cutting edge (yet classic) look to your next project. Great for beginners and experienced sewists.
