Room: Roosevelt II

#347512 - Piecing

Simple strip piecing, cross-cutting, and straight or diagonal re-sewing can create a border that takes your quilt from simple to simply fantastic. Join Chris as she teaches you her techniques. You will practice a number of different Seminole patterns on sample strips in class. You can keep these sample strips as a reference for future projects or you may sew these strips together to make a "Seminole Sampler" wallhanging quilt after class!
