Room: Lincoln Room

#348141t - Quilting/Finishing-LONGARM

Do you struggle with free-motion quilting designs and where to place them in a quilt? Create a free-motion quilting plan for the Radiant Star quilt. This class, designed for confident quilters ready to tackle the challenges of design, includes essential skills for free-motion quilters to take their quilting to the next level. Learn how to take new and known designs you've practiced and apply them to a real quilt. You'll learn several advanced continuous free-motion quilting spiral and swirl design variations. They are ideal for background filler and edge-to-edge designs that add beautiful texture to your quilts. Learn how to go from practice quilt sandwich to quilt with ease. Two people per machine. BERNINA Q Series machines provided.

Registration for this class includes show admission for Thursday.
