DOMESTIC MACHINE**

Explore a combination of natural freehand overall designs that work together to create a complex garden of quilting, based on Dorie's book, *Floral Confetti*. In this hands-on class, Dorie will teach you how to break down the designs, how and where to use them, and how to combine the elements to create a flowing continuous design. Dorie's hands-on teaching style is very user-friendly! Dorie will teach the foundation of the concept and builds in layers on the foundation to give you the complete concept.
