DOMESTIC MACHINE**

Just like penmanship, everyone has their own unique machine quilting style. In this class, you will learn how to form the basic swirl shape, then branch off in many different directions as you discover your own signature swirl! Ideas to explore include the wonky swirl, flower swirl, elongated swirl, packed swirl, and many more. Combine swirls with other favorite motifs for even more possibilities! Be sure you are comfortable with basic machine quilting techniques before signing up for this class.
