

Dabble with Dots and Dashes Ruler Quilting

Geraldine Wilkins

Beginner

Wednesday, 5:00 p.m - 8:00 p.m.

Room: Lincoln Room

#348540 - Quilting/Finishing-LONGARM

Learn fun acrylic ruler design techniques with one ruler. Geraldine will teach you techniques for edge-to-edge quilting, blocks, and borders. Go beyond the basics and explore multiple continuous and block-based designs. Learn how to create dynamic designs easily using ruler quilting techniques. Whether you are doing edge-to-edge or custom quilting, you'll be able to quilt them with confidence using just one ruler. Designs may be used on almost any project and techniques learned are applicable to other rulers. These are beginner friendly ruler-based designs with repeatable designing techniques. Two people per machine. BERNINA Q Series machines provided.
