## **Words & Numbers into Organza by Hand**

**Esterita Austin**

All Levels

Thursday, 1:00 - 4:00 p.m.

Room: Holiday Inn River Room

**#35502 - Color & Design**

This is an original technique that transfers letters and numbers to organza. It's not a reverse process, everything is face up. This means you can write anything you want and add it to your work without thinking in reverse. You can pick a theme and choose words that apply and we will make a themed graffiti quilt with words and numbers.
