

**Improvisational Piecing Techniques:
Curves and Angles
Cindy Grisdela
All Levels
Thursday, 8:30 a.m. - 4:00 p.m.
Room: Roosevelt II
#37111t - Piecing**

Learn to create your own original quilts with no pattern using improvisational piecing techniques. You will learn to let go of the “rules” and piece blocks in an intuitive, free form fashion. You will explore Improv Circles, Wonky Angled Stripes, and Insets in class. Use strips and scraps to add interest and make your design your own. There’s no measuring or precise cutting and each quilt will be unique. Cindy will discuss color choices and using simple design principles to create an original dynamic composition. Registration for this class includes show admission for Thursday.
