All Levels

Wednesday, 8:30 a.m. - 11:30 a.m.

Room: Jefferson Room

#37504 - Piecing

Opposites Attract is a fun and easy Layer Cake pattern that is backed up with a tutorial. In the Jenny Doan way of sewing, this pattern may look difficult but is very easy to put together. The block is an easy sawtooth star pattern made with contrasting fabrics, and the entire quilt is framed with a pretty pieced border.
