**#37514 - Piecing**

“Mountain Views” is a surprisingly simple quilted scene using Karen’s layered topstitching technique. Gentle rolling hills of green fabric strips combine with distant peaks to create peaceful vistas. Include a lake or a field of wildflowers. The variations are endless! You will also learn how to embellish the landscape with beads, yarn, and Angelina fibers to give it sparkle. Finished size is approx. 9" x 12" without borders (size varies!!!!)
