Family Traits is a terrific Stashbuster Quilt that comes together simply, creates a quick delightful quilt, and that helps you master the V Block (Peaky and Spike). Family Traits features Sisterhood and Brotherhood Blocks, plus a Border Block. All blocks are constructed using the same V Block method. This is the perfect design to use up medium and large-scale prints. The use of a large-scale print for the corner squares will give a scrappy look. Alternatively, could use scraps in similar colors to get the same affect. The center square of both Blocks is the perfect place to fussy cut a beautiful fabric with a featured element, such as a butterfly. While this quilt is designed to utilize your stash, do not ever be afraid to purchase some, if not all new. Family Traits comes together easily with the Studio 180 Design's V Block™.
