Room: Roosevelt I
#37529 - Piecing

Michelle designed this dazzling quilt for Studio 180 Design. Diamonds in the Sky creates a brilliant four-piece diamond that really radiates, plus a beautiful alternating block that gives this quilt dimension and allows it to shine! If you want high contrast, use assorted bright fabrics for your diamonds and a dark or light background. Learn how to use Deb Tucker's Corner Beam® as you make this fun quilt. The class will include step-by-step instructions for use of the Corner Beam®, as well as tips on matching points and piecing on-point quilts. You will also learn strip piecing techniques and general machine piecing hints and tips that you'll use again and again. This quilt shimmers!
