#39523 – Creative Crafts

These colorful postcards are almost instant gratification! You can actually mail these postcards, use them as gifts, frame them, or swap with friends. Carol will share her favorite fusing techniques while you make postcards using fused, raw-edge appliqué. In addition to the many designs that are included in each pattern (see kit information), Carol will provide at no additional cost two unpublished postcard designs. She will also bring a basket of batik scraps to share in case you need a different color.

(Kit Fee)

Supplies:

A kit is required and includes: (3) pieces pre-cut to 4" x 6" Peltex, and Wonder Under 805 by Pellon fusible web. Students will also get a selection of one of Carol's postcard patterns during class. Each pattern contains several designs: Texas Wildflower Postcards, Postcards from Florida, and Postcards from the Southwest.

Pattern/Handout Fee: \$25 (payable in class, cash preferred)

Please bring the following items to class:

- Notebook and pencil
- Paper bag for trash
- Bring a variety of batik scraps, pre-cuts (10" x 10" **OR** even smaller), **OR** small bits of yardage. Variety is important. Most pattern pieces are very small. The largest pieces required are 4" x 6" background pieces – the front and back of each postcard. Carol will bring batik scraps to share.
- Light box **OR** light tablet
- Parchment paper **OR** non-stick pressing sheet
- Paper scissors to cut Wonder Under paper backing
