#43505 - Appliqué

Stitch your way into the holidays with this 14" x 24" wallhanging. Perfect for a gift, your office, or home. Your Nutcracker will be made as a separate unit so could be added to any block also. Want to learn the fastest, most precise, and easiest way to appliqué? Join Kathy to learn the Apliquick method of turning your edges. Your Nutcracker can then be sewn by hand or machine to the background fabric. Add optional embellishments - hand or machine embroidery, rhinestones, buttons and small Christmas ornaments. Apliquick tools REQUIRED.
