 Reliability by Design

Want to learn Thread Painting on floral appliqué motifs but you think it is too hard? Joyce often hears students say, "I am not creative! Can my machine do this?" Yes, you are creative, and yes, you can do this on your domestic sewing machine! Working from Joyce's Newest Book, *Thread Painting As You Go*, you will begin a quilting sampler of three designs: leaves, lilies, and cosmos. Learn the proper steps of Dimensional Thread Painting, a fun and creative technique. Explore the various thread selections, and learn how to set up your machine for stitching techniques with free-motion quilting of zig zag and straight stitching. See the fabric come to life as you sew and layer the threads on top of your design. You will use thread as paint, sewing with different types of threads and color combinations. Learn how to create interesting texture and dimension for your quilting sampler. You will leave with a full knowledge of Dimensional Thread Painting and create a one of kind piece of art!
