Learn the basics of Dimensional Thread Painting and embellishment on this beautiful Hydrangea with Goldfinch wallhanging. Explore the steps, prep work, and process of raw-edge appliqué prior to the actual thread painting. Then, move on to Dimensional Thread Painting using free-motion zig zag and straight stitching. See the fabric come to life as you sew and layer the threads on top of your design adding shading, highlights, texture, and definition. You will use thread as paint while sewing with different types of threads and color combinations.
