

Starry Constellation Quilt
Judi Kirk

All Levels

Thursday, 8:30 a.m. - 4:00 p.m.
Room: Grand Gallery Overlook GH
#447101t - Piecing

Create a unique constellation by making your choice of star blocks in different sizes, then scatter your own design across the quilt top. Judi will focus on ways to improve accuracy so that the small blocks look good, and she will provide lots of star designs for inspiration. This project appeals to both traditional and modern quilters, and is suitable for quilters of all levels. You can create designs based on simple patterns or more challenging ones. A great variety of fabric styles and colors are suitable, so let your creativity shine! The workshop sample measures 44" x 60", but you can make the quilt in any shape or size you desire. Don't want to make a whole quilt? Just bring scraps and work through the exercises to improve your piecing skills.

Registration for this workshop includes show admission for Thursday.
