SEWING & QUILTING

Take your Lemoyne Stars to the next level with these magnificent Majesty Lemoyne Stars. In this technique building workshop, learn how to utilize Studio 180 Design's Rapid Fire Lemoyne Star® and Tucker Trimmer III® to make fantastic Majesty Lemoyne Stars. With this process and the Rapid Fire Lemoyne Star tool, you will be able to strip pieces and oversize the units to increase the speed, accuracy, and enjoyment when making this Lemoyne Star variation. You can elect to make a few blocks in the workshop to learn the technique, or complete the optional table runner included in the handout. Additionally, Michelle will bring other patterns that utilize this fantastic block in case you just can't stop making them! Take your skills to the next level!
