Make a traditional quilt block, the Log Cabin, in a non-traditional way. Free-form cutting allows you to control the look and design of the quilt blocks. Decisions on the next color and strip size/shape are made as the block is built. No need to have a plan; in fact, you will be more creative without one! Just pick a strip and sew! Marge covers free-form cutting, liberated sewing, or sew-as-you-go, as well as design and composition.
