Curve, smerve. Get the beauty of curved piecing without ever stitching a curved seam. Tammy Silvers' charming blossoms are created with her faux curved piecing technique! Let Tammy make curves quick and easy. You'll enjoy this easy take on the traditional Drunkard's Path block. And we will tackle a partial seam as well! Two in one – how great is that?! While you won't complete the project in the workshop, you'll walk away with a great grasp of the technique.
