

## **Design a Simply Amazing Spiral Quilt**

**RaNae Merrill**

All Levels

Saturday, 8:30 - 11:30 a.m.

River Overlook EF

**#45501 – Color & Design**

Learn techniques for designing your own unique and original spiral quilt. Often when you combine spirals the spirals themselves disappear and the connections between them become the more important element of the design. The possibilities range from traditional to modern. We'll experiment with combinations of spirals to explore "seeing between the blocks", flow forms, color and value, and symmetry. The class explores and builds on the techniques my books *Simply Amazing Spiral Quilts* and *Magnificent Spiral Mandala Quilts*.. There is no sewing in this class -- it focuses just on design.
