Hand Embroidery Work: English Storybook

Susan Edmonson

All Levels

Wednesday, 8:30 - 11:30 a.m.

Room: River Overlook CD

#46501 - Embroidery and Embellishment

This tiny book tells a story of the view of an English Garden! It's just like a fairy tale all stitched by hand in an enchanting little book! Many hand embroidery & stumpwork stitches will create the garden and countryside. We'll be using several different types of hand-dyed fabrics for backgrounds and hillsides. In the class, we will create one of the signature pages and there will be instructions given to complete the fabric book.
