**Explore the Undersea World of Hand  
Embroidery: Octopus Garden  
Susan Edmonson**

All Levels

Wednesday, 1:00 - 4:00 p.m.

Room: River Overlook CD

**#46502 - Embroidery and Embellishment**

These little art quilts are very whimsical and you'll think you're in the Octopus Garden just swimming around! Let Susan take you on an exploration of the undersea world of imagination. It's colorful and fun to make all these 3-D elements and embroider the background with curls and swirls using fun stitches. So if you've been wanting to explore more hand embroidery stitching and "Stumpwork" (3-D embroidery), this class will help you learn and be more creative with your work. These little sea creatures are so much fun to make!
