Intermediate, Advanced  
Friday, 8:30 a.m. - 4:00 p.m.  
Grand Gallery Overlook CD  
**#47119f - Piecing**

Get ready for a great new method for constructing traditional Lemoyne Star blocks. You'll be using strip piecing techniques, oversizing units for easy trim down, and no "Y" seams! Our class project is a sampler of all the 10 different size block options available on the Rapid Fire Lemoyne Star tool. This tool is required for the class. This is an addicting process that gives remarkable results.

Registration for this class includes show admission for Friday.
