

## **Piece Perfect Stars Hextravaganza**

**Deb Tucker**

All Levels

Wednesday, 1:00 - 4:00 p.m.

Grand Gallery Overlook AB

**#47503 - Piecing**

Are you ready to dive into the world of 60 degree quilting designs? Our Star 60 tool brings the concept of oversizing and trimming down into the realm of 60 degree shapes. In class, we will be working through the construction steps to create the free bonus project included with the tool instructions. You will learn how to build the basic Star 60 units, assemble them into hexagons, and create the large hexagon center. We will also discuss how to square off the edges to create a small quilt or table topper.
