Paper Piecing Plus Curves  
Nancy Roelfsema  
Beginner  
Saturday, 8:30 - 11:30 a.m.  
Room: Grand Gallery CD  
#47513 - Piecing**

The New York Beauty quilt block combines paper piecing and curves to create a block that looks very complicated but in this class you will learn that it is possible! Nancy's unique technique for piecing the pointed arches will give you the confidence you need to create perfect points every time. Her curved piecing technique can be used for all future quilts with curves, such as Double Wedding Rings and improvisational quilting.
