#48505 - Quilting and Finishing

Are you wanting to get your bindings done all on the sewing machine, no hand sewing? This class is for you! Learn how to make, apply, and machine sew a binding so it looks like it has a hand-sewn finish. Plus, adding a faux piped binding can add a pop of color and pizzazz to the edges of your quilts. Finishing the binding tail ends and making perfect mitered corners for a quilt with square corners and odd angle corners will be done using the Brilliant Bindings tool.

Please bring the following items to class:

- **Basic Sewing Supplies**

Casserole carrier/large hot pad

- Quilted fabric (use pre-quilted or quilt your own); fits (1) 14"X18" - 9"X13" pan

Binding

- (2) strips cut 2¼" X WOF, (2½") (is your strip width if you are using a thick batting or extra loft batting) Debbie used (2¼") and found it worked well for even coverage and not a lot of extra turn over to the back.

- Thread to match binding

For Composition Book Cover:

- (1) 16"X10½" rectangle of quilted fabric pieces (use pre-quilted or quilt your own, if using wider binding cut 16½"X11")

- (2) 4"X10½" rectangles - inside flaps (if using wider binding cut flaps 4½"X11")

- (2) strips cut 1¼" X WOF (for a wider binding cut 1½" X WOF)

(2) strips cut 1¾" X WOF - faux piping (for wider binding cut 2" X WOF)

(1) strip cut 2¼" X WOF - Inside Flap Binding

- Composition Book (Debbie finds hers at Staples or WalMart). If you need one, Debbie will have them in class for \$2 each (for plain pages or graph paper pages) or \$1.50 each (for college or wide ruled)

- Thread to match either faux piping or binding

- Thread to Match Fabrics
