#48507 - Quilting and Finishing

Are you new to quilting or comfortable with basic free motion quilting and now want to add a few feathers to your quilt tops? Join Sarah as she takes you through a handful of feather motifs and styles that work well together and can be customized to each individual's likes and abilities. This class will have you both drawing and working on the machine to determine your personal feather style as well as learning various techniques to create feather motifs. Consider taking Sarah's next class, Fancy Feathers & Frills, to continue building onto your feather foundations. You will be sharing a BERNINA Q20/Q16 with a partner in this hands-on class.
