#48512 - Quilting and Finishing

Have you always wanted to free-motion quilt but were too anxious to do so? Join Sarah in this hands-on class, and be liberated with free-motion quilting! With a bit of humor and a lot of encouragement, she will take you through a series of designs that are both simple yet highly effective on your quilt tops. By the end of the class, you will surely feel more comfortable and brave with a variety of shapes and designs in different sizes. You will be working on and sharing a BERNINA Q20/Q16 with a partner. Use each other for feedback and to bounce around quilting ideas.
