#48513 - Quilting and Finishing

Do you want to feel comfortable quilting feathers and want to learn how to achieve *perfect* continuous (formal) feathers? In this class, we will implement rulers, stencils, and other items to help fit and form your feather work. Join Sarah as she helps you use many ruler shapes and stencils to create dazzling feathers on your quilt tops. From blocks and borders to custom motifs, you will leave this class more comfortable stitching numerous plume types, many spine variations, and the ability to create your own unique feather designs. Check out Sarah's lead-in class, Fun Feather Foundations, to refresh yourself on feather basics before taking this class. You will be sharing a BERNINA Q20/Q16 with a partner in this hands-on class.
