Stand Up for Appliqué on the Longarm Stacie Spradlin

All Levels

Friday, 1:00 - 4:00 p.m.

Room: Grand Gallery AB

#48515 - Quilting and Finishing – LONGARM

Let's take a look at those appliqué tops and learn how to make those shapes stand out! Intricate stitching and echoing will be discussed and demonstrated so that you will see how it can transform those appliqué shapes. You will be sure to leave with a wealth of ideas for quilting around those precious appliqué! Samples will be shown so that you can see first-hand how your quilting can really make an impact! Students should be familiar with free-motion quilting and ruler work. Two people per machine.
