Learning how to paper piece is one of the most sought out quilting techniques. With this workshop, Jackie takes you through all the steps in an efficient and methodical way, sharing all the tools and knowledge needed to create a beautiful quilt. This quilt consists of only one block, so it is perfect if you want to just learn paper piecing. This workshop is recommended for advanced beginner to confident quilters. A knowledge of how to use a rotary cutter, ruler, and how to cut fabrics is a prerequisite. If you can do this, then this course is for you!

Registration for this workshop includes complimentary show admission for Friday.
