**#547105t – Quilting/Finishing-DOMESTIC
MACHINE**

A trip to Nana's house was always a fun time for Pat. She loved her Nana's embroidered table scarves and many textiles. This little quilt is full of all those visual memories. Play with 30's fabrics (or maybe your Nana collected Civil War prints) while assembling the center blocks. A bit of paper piecing will speed things along. Next, explore thread sketching for the embroidered flowers in each basket. Spend the afternoon learning machine turned edge appliqué for the borders which include lots of flowers and berries.

Registration for this workshop includes complimentary show admission for Thursday.
