We are always looking for ways to use up scraps. This quilt is a fun way to use not only your scraps, but other people's scraps! Bring your scraps to the workshop and dump them into a pile to share with the group. Learn a quick way to make the railroad tracks and receive a pattern for making the entire quilt. This is a fun workshop and you will enjoy swapping scraps and getting to know your classmates. You will receive a pattern as part of the class.

Supplies:

Please bring the following items to class:

- **Basic Sewing Supplies**

The entire quilt will be scrappy, except the "railroad tracks."

- 3 yards for the tracks (choose a solid or solid-reading print in a red or black.)
- Bring lots of scraps in both light and dark prints – not too small, the largest size we will need will be 6³/₈" square (this is a good place to use up leftover 2¹/₂" strips or other precuts, a grocery bag of lights and darks should do it!)
