**#548120f – Quilting/Finishing-DOMESTIC
MACHINE**

Tired of the same old stippling? Perk up your machine quilting with a new vocabulary of designs for filling spaces and backgrounds. With more than 50 designs made to fit narrow borders, triangular patches, or background areas, you will have no trouble broadening your design ideas. This type of heirloom quilting is done with little or no marking. Go home with a portfolio of stitches to get your creativity flowing.

Registration for this workshop includes complimentary show admission for Friday.
