Meeting Room 104

#57506 - Piecing

C'mon, let's get happy with these sunny stars! A small wonky star inside a larger wonky star forms the center of the quilt and then a sparkling border of more brilliant stars. Improvisational piecing the star point results in each star being unique and engaging. This quilt will be sure to brighten your mood and/or house. In this half-day class, you will make the star in a star center. You will have a handout to help you complete the quilt at home.
