

### **Creative Improv Piecing**

**Carolina Oneto**

All Levels

Saturday, 8:30 - 11:30 a.m.

Meeting Room 103

**#57516 - Piecing**

In this workshop, the participant will learn four new improvisational piecing techniques (triangles, crosses, ¼ circle, and freestyle log cabin). You will learn how to choose a beautiful color palette that works perfect for improv projects and how to piece the quilt top in an organic way. And Carolina will demonstrate how to quilt a spiral with your walking foot, an excellent design that you can use to finish your quilt.
