

Simply Amazing Baravelle Spirals RaNae Merrill

All Levels

Saturday, 8:30 - 11:30 a.m.

Meeting Room 105

#57517 - Piecing

Baravelle spirals have huge "Wow!" factor, yet they are surprisingly easy to design and sew! Using the techniques in RaNae's best-selling book *Simply Amazing Spiral Quilts*, learn to draw a Baravelle spiral block, then explore lots of ways to color them to create spirals, pineapples, baskets, and more. Along the way, you'll learn RaNae's "painless paper piecing" techniques. Use your spiral block in a quilt or other project, or a pattern is provided for finishing blocks into pot holders.
