

EQ8: Adding Fabrics
Lori Miller
Intermediate
Saturday, 8:30 - 11:30 a.m.
Meeting Room 319 (Level 3)
#59505 - Quilting Technology

Grow your EQ8 skills! Learn how easy it is to add your own fabrics, panels, and photos to EQ8. Import fabrics, straighten, scale, crop and add them to your Favorites library! Add current manufacturer fabric lines to use in your quilt designs. Discover how you can scan or photograph your own stash to use in your creations. Include fabric panels to creatively design one-of-a-kind quilts. This is the perfect follow-up to any Beginner EQ8 class. Windows and Mac Users welcome. PLEASE NOTE: You will need to carefully read through the class supply list to download REQUIRED files PRIOR to class. Don't skip this step!

Supplies:

Please bring the following items to class:

- Notebook, Pen, and Pencil
- Laptop with Electric Quilt 8 (EQ8) installed and validated
- Laptop power cord
- Extension cord
- Mouse (the touch pad on your laptop will work, but having an external mouse makes drawing much easier)
- Extra batteries for your mouse (if wireless)
- Mouse pad
